

# LIVE OAK LITTLE LEAGUE BASEBALL NEEDS TO RAISE \$20,000 FOR THE 2010 SEASON WERE ASKING FOR YOUR HELP

The Live Oak Little League has been providing little league baseball for over 40 years to the community. The league provides baseball to 250 to 300 kids a year. Many children cannot afford the registration fees and the league has stepped in year after year to allow children to play, no matter what the circumstances. Your tax deductible donation will help continue to provide baseball in the Live Oak area. Your donation will help provide baseball equipment, registration fees, uniforms and the use of the baseball fields. Our goal this year is to leave no children behind and all will play. The league would like to thank you in advance for your donation in support for Little League Baseball.
